Dear Mr Madhowe,

I am delighted to inform you that your ABE centre accreditation has been renewed for a further 3 years until March 2029 – as per the requirements set out by the Mauritius Qualification Authority.

It is important to check the centre details on the approval certificate and the ABE website, to ensure that the details listed are correct and accurate. If any changes need to be made, please contact ABE as soon as possible.

Despite the Certificate being valid for 3 years, the ABE accreditation for KIBT will still need to be renewed annually – as outlined in the ABE Centre Agreement. Continued accreditation will be dependent on learner registrations, attendance and performance in assessments and other conditions detailed in the Centre Agreement.

If you have any queries about your accreditation, please do not hesitate to contact us at accreditation@abeuk.com. For any other issues, please contact your regional Business Development Director.

We wish you every success with the recruitment, and delivery of ABE qualifications.

Yours sincerely

Natasha Hussey
Accreditation Officer
